Why PWC?

The industry begins here...

At Philippine Women's College of Davao, studying is not just an option. It is an opportunity to turn your passion into a career.

PWC is designed to prepare you for life. Our unique curriculum together with our partners in the industry will provide you with real experience in the world of art and design, hospitality and tourism management, food technology, business and entrepreneurship, education, and information technology.

Life in PWC

Complementing with academic life in PWC are engaging activities such as sports, fashion shows, exhibits, cultural and musical presentations, and an enjoyable high-level experience of learning both inside and outside the classroom.

Philippine Women's College of Davao aims to provide you well crafted program that best suits your future goals. Here, you'll discover new friends and interact with a pool of faculty who are top working professionals, academicians, and industry practitioners.

Study in PWC

PWC is more than just a place. It's a learning institution that promotes creativity and innovation. Nestled in a conducive environment, our campus is a playground for creative and inquisitive minds. You'll also benefit from our student support services and school facilities.
